Joe Everitt ...	19th December
Steven Jones ...	26th December
Lucy D'Ambrosio ...	27th December
June Hale ...	28th December
Noelene Hopper ...	29th December

CONGRATULATIONS

So many congresses and special events happening now, it's hard to keep up with our travellers.

A special mention to Lucy D'Ambrosio. She attends a lot of events around the state and has some amazing results.

Closer to home, a favourite of club members is the Tomaree Bridge Club Congress. Some 15 CBCBB members played. Again, special mention to Lucy, placed 4th in the Pairs with her partner, and 2nd in the Teams. Louise and Vic were 9th in the Teams with their partners.

Gary and Stephanie placed 11th in the Pairs, and Rhonda Innes and Irene placed 21st.

Many off to Mudgee Congress next, then it's time for a rest.

Yes, it's time for

Community Bridge Club

Annual Christmas Party.

Friday 4th December.

Numbers need to

be finalised by

Friday 14th November.

A Table Seating Plan

is on display

at your bridge session so

please check for your name.

Also, if you need to

cancel please

let us know immediately

GAME VOUCHERS

We do not use Eftpos facilities in our bridge club. If you are not a cash person, you can purchase Game Vouchers. These are available for 5 for $25 or 10 for $50. They can be purchased with cash, or bank transfer.

ATM facilities are available within Tigers. However, there is probably a small charge for withdrawing cash.

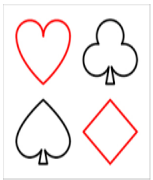

So, if you don't want to use vouchers, we do accept gold coin and notes as payment but draw the line at silver for lots of reasons. Of late some silver has been creeping in to session payment and is tending to increase So, sadly, raiding the money jar at home for bridge is not acceptable.

In fact we will probably give it back to someone wanting change, which is equally not acceptable.

To purchase vouchers online -
our banking details for transactions, game vouchers and fee payment are:

Greater Bank
Name: Community Bridge Club Bateau Bay
BSB: 637 000
Account: 7191 34092

For your information, game vouchers purchased are checked against the purchaser on presentation. If you wish to pay for your partner, just sign accordingly on the voucher. Also, if you move away or cease playing, we will organize so you are re-imbursed for your unused vouchers.

Numbered for reference.

....2027 IS COMING

We are coming to - how we reference our bridge calendar - as "the pointy end of the year".

Membership renewals are being distributed. Thankyou to everyone for your quick response, it makes the committee task so much easier.

After the Christmas Party we will be holding our sessions at the Anglican Church, cnr Brooke Avenue and Eastern Road, Bateau Bay until we return to Tigers on Thursday 7th January. Please note we will NOT be playing Christmas Eve and obviously Christmas Day but WILL be playing New Year's Eve and New Year's Day.

The feedback has always been that our players have loved their time over the Christmas period. However, we ask you to respect that the church has other activities operating following our bridge session and needs the kitchen to themselves.

We will be supplying morning tea as before, and it will be through the cubby hole into our playing area. Bridge players MUST NOT ENTER THE KITCHEN for any reason of their own accord at any time. If you need something, ask a committee person to help you.

Please respect this, or you will put the future of our ability to use the Anglican Church in jeopardy.

We have a good arrangement in place, Tigers and the Church in the interim Christmas period.
